NYLEETTA RIO NEGRO	35.95	-26.60	5.48	1.86
RAGLAN MR GALLAGHER	39.66	-26.56	4.06	1.67
SHA ANN WISE N UP	36.31	-26.01	4.96	2.07
THE RIVERS REVOLUTION 666	37.76	-25.55	4.95	2.35
WHITAKER JULIUS	36.09	-26.07	5.45	1.52

The colour L score is an objective measure of meat colour The lower the score, the darker the meat.

The sheaforce values averaged 4.77kg which is .61kg (11.2% better than the Brahman steers in the Beef CRC).

The cooking loss was 3.1% higher than the Brahman steers in the Beef CRC, possibly due to being slightly older at slaughter and grass fed.
