Please read the Regulations carefully. To avoid any misunderstandings and inconvenience to themselves, exhibitors are particularly requested to make themselves conversant with the conditions governing these Sections.

REGULATIONS APPLYING TO STUD CATTLE SECTION

General
1. The Rockhampton Agricultural Show and their volunteers will not be responsible for any accident that may be caused through or by an exhibitor, and it shall be a condition of entry that each exhibitor shall hold Rockhampton Agricultural Show harmless and indemnified against any legal proceedings arising from any such accident.
2. The lodgement of a completed Animal Application for Entry form will be taken as a guarantee that the animals specified therein are free from all disease as far as is known by the owner. In the case of an infectious disease being spread through or by an exhibit, the exhibitor shall be held responsible.
3. Precautions will be taken to guard against fire and to protect the property at the show, but exhibits will not be insured at the cost of the Rockhampton Agricultural Show.
4. The Rockhampton Agricultural Show will not, under any circumstances, hold itself liable for any accident on the ground or premises, nor will the Rockhampton Agricultural Show, under any circumstances, hold itself responsible for any loss, damage to, or mis-delivery of any exhibits.
5. Any exhibitor who does not comply with the above rules or any directions of the Chief Steward may be penalised or disqualified. Any dispute that may arise shall be decided by not less than three (3) members of the beef cattle sub-committee and their decision shall be final.

ENTRY
a. All cattle entered must carry an NLIS device.

c. All exhibitors to provide hard copy proof of $5 million Public Liability cover with entry form.
d. In all cases where age is a condition of entry, the understanding is that the exhibitor will, if called upon, sign a statutory declaration to the age of the animal entered. e.g. For all classes in which the age of the exhibit is a condition of the competition, the Animal Application for Entry form will state the actual date of birth, which will be attained at 1st June 2019 and the exhibit shall be entered in the classes accordingly.
e. Calves shown with Dams are ineligible to compete in individual calf classes (except Junior Heifer Show).
f. Any breed exhibiting 30 or more head will be eligible to be judged as their own breed section.
g. In the event of insufficient numbers to warrant a breed section (ie Tropical or Euro/British), sections may be combined.
h. The Rockhampton Agricultural Show reserves the right to combine classes in the event of there being insufficient numbers to judge as a single class. A maximum of two adjoining classes maybe combined.
i. Exhibitors are requested to pay particular attention to the Animal Application for Entry form which should be completed in all detail, as it is from this document that the catalogue will be compiled.
j. The only person authorised to inject animals while they are at the showgrounds, is the honorary veterinarian, who shall advise the stewards if in their opinion such drug or tranquilliser is likely to have any effect upon the animal which would be material to its chances of being awarded a prize.
k. Entries will only be accepted via the attached Animal Application for Entry form, posted, faxed, emailed or delivered in person to the Rockhampton Agricultural Show.
l. NO LATE ENTRIES WILL BE ACCEPTED.
